New Business

a. Speaker: Bill Neuhauser; STEAM Facility (Parks & Rec)

Bill Neuhauser is a retired Civil Engineer who came to speak about the possibility of an RC racing facility coming to Rosemount. This facility would include a hobby shop, space for classes, tracks, a flying field and a pond for RC boats. He believes this will draw a large crowd to our community along with giving both kids and adults opportunities for both new and old hobbies, along with providing some jobs for our Youth. There are currently only 2 tracks in the Metro area and Mr. Neuhauser believes Rosemount would be a perfect spot for this type of facility.

b. Leadership Lesson

Mayor Weisensel led our Leadership Lesson on Creativity. He asked the group, "what will people bring to Rosemount?" He asked that the Commissioners return at the next meeting with 3 positives and 1 challenge regarding Mr. Neuhauser's idea for an RC facility.

c. Roundtable Discussion

Commissioners gave life updates on Winter Break plans, clubs and two (2) of our Commissioners gave information about their acceptance into college.

Reports

a. Youth Commissioner Reports

Commissioners discussed that the Tree Lighting at Steeple Center on November 30, 2024, went smoothly. We had 9 Commissioners attend and RAAC was very appreciative of the participation we offered.

b. Next Youth Commission Meeting Date - Wednesday, January 22, 2025

There being no further business to come before the Youth Commission at the regular meeting and upon a motion by Pitzen and a second by Kebede the meeting was adjourned at 4:53 p.m.
