Ayes: 9.
Nays: None. Motion Carried.

Commissioners shared the positives and challenges of bringing a STEAM facility to Rosemount. Some of the positives are that it's unique to our city, jobs for teens, mentorship opportunities, and the involvement of local schools. Some of the challenges noted were balancing the core values of the city, financing, and how much of a need there is for such a facility. All Commissioners agreed that a market analysis would need to be completed as well.
