**ROSEMOUNT PARKS & RECREATION COMMISSION
REGULAR MEETING PROCEEDINGS
MARCH 24, 2025**

CALL MEETING TO ORDER

Pursuant to due call and notice thereof a regular meeting of the Parks and Recreation Commission was held on Monday, March 24, 2025, at 7:06 PM. in Rosemount Council Chambers, 2875 145th Street West.

Vice Chair Bonkoski called the meeting to order with Commissioners Speich and Edminson. Chairperson Elisaon and Commissioner McDonald were absent.

Staff present included the following:
Parks and Recreation Director Dan Schultz
Recording Secretary Michelle Rambo

ADDITIONS OR CORRECTIONS TO AGENDA

APPROVAL OF MINUTES

- a. Minutes of the February 24, 2025, Regular Meeting

Motion by Speich Second by Edminson

Motion to Approve Minutes of the February 24, 2025, Regular Meeting

Ayes: 3.

Nays: None. Motion carried.

AUDIENCE INPUT

DISCUSSION (Response to Audience Input):

UNFINISHED BUSINESS

- a. Central Park Improvements

Staff are continuing to work on developing plans for the expansion of Central Park into the space that was the former Public Works site. The plans call for the garage to be remodeled into a multipurpose facility that could house various special events, such as sports team parties, graduation parties, family reunions, an indoor farmers' market, October Fest and much more. The non-activity portion of the building (north side) will be used for restrooms, storage and staging space for special events. In the near future, staff plan to hold a community meeting to get input regarding this project.

- b. Indoor Ice

The city recently hired JLG Architects to help guide us through some early planning exercises to develop a layout for a two-sheet ice complex, site plan and a cost estimate. The work they are doing will help us with discussions regarding the next steps in the process of considering building additional indoor ice. We have already started the plan development, and we should have more information to present at the April Parks and Recreation meeting.

NEW BUSINESS

a. 2025 Special Events

The Parks and Recreation Department has many special events taking place in our community in 2025. The current schedule for this year includes:

- Spring Egg Hunt – Saturday, April 12 at 10 am – DCTC
- Arbor Day Tree Giveaway – Saturday, May 3 at 10:00 a.m. - Former Public Works Site Community
- Tennis Night - Friday, May 9, starting at 5pm - Erickson Park Tennis Courts
- City Clean Up Day – May 17 at 8am – 12 noon – DCTC Campus
- City Wide Garage Sales - May 8 - 10
- Memorial Day Event – Monday, May 26 at 11am – Central Park
- Patriots in the Park - June 10 5 - 9 pm
- Central Park Art Blast - June 22 - 29 at various locations
- Leprechaun Days - July 19 – 26
- BBQ Cook Off – Saturday, July 19 – All day at Central Park
- Food Truck Fest - Saturday, September 20 from 4pm – 9pm at Central Park
- October Fest – Saturday, October 11 time TBD at Central Park
- Halloween Trail - October 25 Details TBD – Central Park
- RAAC Tree Lighting November 29 at 7:00pm at the Steeple Center

b. Director's Report

Park Improvement Fund Balance as of February 28, 2025: \$5,292,544

Inflows to the Park Improvement fund last month were as follows:

Dedication fees - \$0

Grants/Other - \$0

Interest - \$NA

Donations - \$0

Expenditures - \$21,549

ADJOURNMENT

There being no further business to come before the Parks and Recreation Commission at the regular meeting and, upon a motion by Speich and a second by Edminson, the meeting was adjourned at 7:42 p.m.

Respectfully submitted,

Michelle Rambo
Recording Secretary

Parks and Natural Resources Commission Regular Meeting: May 19, 2025

AGENDA ITEM: Indoor Ice	AGENDA SECTION: UNFINISHED BUSINESS
PREPARED BY: Dan Schultz, Parks & Recreation Director	AGENDA NO. 6.a.
ATTACHMENTS:	APPROVED BY: DLS
RECOMMENDED ACTION: No action is being requested	

BACKGROUND

For several months, staff have been discussing the need for additional indoor ice in Rosemount with RAHA, City of Eagan and the Farmington Hockey Association. This work started before there were ever plans for The Pond to shut down. RAHA has consistently rented 900 hours of ice from The Pond, which is equivalent to what staff expects they would use at one sheet of ice.

The city recently hired JLG Architects to help guide us through some early planning exercises to develop a layout for a two-sheet ice complex, site plan and a cost estimate. The work they are doing will help us with discussions regarding the next steps in the process of considering building additional indoor ice. Staff will share information on the design work that has been completed as of our meeting on Monday.

RECOMMENDATION

No action is being requested.

Parks and Natural Resources Commission Regular Meeting: May 19, 2025

AGENDA ITEM: Selection of Chair and Vice Chair	AGENDA SECTION: NEW BUSINESS
PREPARED BY: Dan Schultz, Parks & Recreation Director	AGENDA NO. 7.a.
ATTACHMENTS:	APPROVED BY: DLS
RECOMMENDED ACTION: The actions will be formulated at the meeting.	

BACKGROUND

Our Commission needs to choose a chair and vice chair for the May 2025 – April 2026 meetings. The current chairperson will ask for nominations for both positions and the Commission will need to make a motion in order for there to be a vote on the nominee. This will happen for both positions and staff will assist the Commission with the process.

RECOMMENDATION

Staff is recommending the Parks and Natural Resources Commission choose a chair and vice chair.

Parks and Natural Resources Commission Regular Meeting: May 19, 2025

AGENDA ITEM: Environmental and Sustainability Updates	AGENDA SECTION: NEW BUSINESS
PREPARED BY: Dan Schultz, Parks & Recreation Director	AGENDA NO. 7.b.
ATTACHMENTS:	APPROVED BY: DLS
RECOMMENDED ACTION: No action is being requested	

BACKGROUND

Mayors' Monarch Pledge - Through the National Wildlife Federation's Mayors' Monarch Pledge, U.S. cities, municipalities, and other communities are committing to create habitat for the monarch butterfly and pollinators, and to educate residents about how they can make a difference at home and in their community.

The Mayors' Monarch Pledge program launched in 2015 to engage cities and communities in monarch and pollinator conservation. Between 2015 and 2020, the program welcomed over 600 mayors and heads of local and tribal government who engaged 6 million people and restored more than 6,500 acres of monarch habitat.

Mayor's Water Challenge - The 15th Annual National Mayor's Challenge for Water Conservation was received by Mayor Weisensel and the City approved a proclamation to encourage water conservation in our community.

The challenge takes place in April and allows residents to make a series of online pledges at mywaterpledge.com to reduce their impact on the environment and to see immediate savings in their water, trash, and electricity bills.

Mow Less May - The City of Rosemount first recognized Mow Less May (formerly No Mow May) in 2021. The program encourages the use of four low input lawn care practices by residents to protect pollinator habitat, protect water quality, and conserve water.

McMenomy Woods Restoration – In 2023, the City of Rosemount purchased approximately 80 acres of high-quality woodlands in the north central part of Rosemount. Staff have been meeting with Dakota County to discuss the best method to enhance the property through restoration.

Adopt-a-Drain Earth Day Challenge - The City of Rosemount is a member of Metro Watershed Partners. AAD encourages volunteers to adopt storm drains at MN.Adopt-a-Drain.org to keep clean of debris. In 2025, AAD is hosting a friendly nationwide competition from April 15-30 to see which cities are able to sign up the most drain adopters.

Storm drains move rainwater runoff away from streets and backyards, providing critical protection from flooding. Water entering storm drains flows to local lakes, ponds, and wetlands, without receiving any treatment. Debris left on roadways can wash into storm drains or clog them, becoming pollution in neighborhood ponds, causing flooding, or causing icing on roadways. Volunteer drain adopters provide an important service that protects water quality, prevents property damage, and improves public safety.

RECOMMENDATION

No action is being requested.

Parks and Natural Resources Commission Regular Meeting: May 19, 2025

AGENDA ITEM: Dallara Park Playground Equipment Replacement	AGENDA SECTION: NEW BUSINESS
PREPARED BY: Dan Schultz, Parks & Recreation Director	AGENDA NO. 7.c.
ATTACHMENTS:	APPROVED BY: DLS
RECOMMENDED ACTION: The action will be developed after the review of the proposals.	

BACKGROUND

Staff recently sent out a request for Proposal (RFP) for new playground equipment at Dallara Park. The proposals will be reviewed at a neighborhood meeting, by the Youth Commission and also the Parks and Natural Resources Commission (tonight at the meeting). We are slated to remove the existing equipment this fall and have the new equipment installed shortly after the removal.

RECOMMENDATION

The action will be developed after the review of the proposals.

Parks and Natural Resources Commission Regular Meeting: May 19, 2025

AGENDA ITEM: Director's Report	AGENDA SECTION: NEW BUSINESS
PREPARED BY: Dan Schultz, Parks & Recreation Director	AGENDA NO. 7.d.
ATTACHMENTS:	APPROVED BY: DLS
RECOMMENDED ACTION: No action is required.	

BACKGROUND

Park Improvement Fund Balance as of April 30, 2025: \$6,071,963.02

Inflows to the Park Improvement Fund last month were as follows:

Dedication fees – \$827,095

Grants/Other - \$0

Interest - \$NA

Donations - \$0

Expenditures – \$225,203

National Guard Remodel – Work continues to move forward on the Armory and RCC remodel projects. They are behind on the RCC office work and have now almost completed the translucent arena wall panels. Once they get going with the cosmetic work in the parks and recreation office things should move quickly. We are hoping for an early summer “move back” date.

Dunmore Greenway – We are hoping to get this project out for bid in May after we get a Joint Powers Agreement in Place with Dakota County for a cost sharing on the project and get a Right of Way permit from MN DOT. The city will design and deliver the project and Dakota County will pay for the cost of the trail construction.

Bonaire Path Trail - Staff is working to finalize the funding for this project, including a \$250,000 grant. As soon as the funding is in place for the project, it will go out for bid.

UMore Park Building – The project is underway and the substantial completion of the building will be at the end of June. More to come on this project as it develops.

Pickle Ball Project - The pickle ball project is nearing completion. The court lights are up and the courts are color-coated. We hope to have the courts playable in the next for weeks.

RECOMMENDATION

No action is required.
